INFORMATION DISCLOSURE STATEMENT

COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, VA 22313-1450

S I R :

Submitted herewith are the following:

- (1) Copy of Search Report/Official Action issued in the European application corresponding to the present application;
- (2) Copies of the cited publications; and
- (3) Form PTO/SB/08A. It is requested that an initialed copy of the form PTO/SB/08A be returned to indicate that the publications listed therein have been considered and made of record.

All of the references are in English.

Each of the documents is considered relevant because of its citation in the enclosed Search Report and for the reasons stated therein.

This U.S. patent application was filed after June 30, 2003. U.S. patent documents identified on said form PTO/SB/08A are not enclosed herewith since the USPTO waived the requirement to file copies of U.S. patents and U.S. patent application publications for U.S. patent applications filed after June 30, 2003 (See 1276 OG 55 (05 August 2003)).

No Patent Office late fee is required because a first Office Action on the merits has not yet been received. If it is determined that a fee is required, please charge our Account No. 06-1378.

This is being filed within 30 days of the mailing date of the European Search Report.

It is therefore respectfully requested that the attached publications be considered and made "of record".
